

The DSC Great Lakes Regional Chapter and the Great Lakes Regional Sporting Foundation are organizations dedicated to wildlife and outdoors oriented men and women. The organizations maintain a heavy focus on wildlife conservation, hunting, shooting sports, fishing and other related outdoor activities. **The mission of the DSC Great Lakes Regional Chapter and the Great Lakes Regional Sporting Foundation is conservation, education and advocacy.**

The corresponding Board of Directors will consider grant requests to the extent that the requested funds will be utilized in a manner consistent with the organization's stated mission. Organizations, groups, and/or individuals requesting funding are required to submit an application for funding at least one month in advance of the needed financial resources. Other requests of an emergency nature will be considered only to the extent that the emergency is directly related to the DSC Great Lakes Regional Chapter and the Great Lakes Regional Sporting Foundation stated mission.
